

10 December 1958

MEMORANDUM FOR: Mr. D. J. Clinton, Department of State
Col. D. H. Smith, Department of the Army
Capt. T. M. Peterson, Department of the Navy
Lt. Col. H. K. Avery, Department of the Air Force

SUBJECT: Request for NIS from the Department of Health, Education, and Welfare

1. Attached for your consideration is a copy of a letter from the Division of International Health, Public Health Service, Department of Health, Education, and Welfare dated 12 November 1958 requesting certain NIS units on Ireland, Libya, Mexico, and Brazil for use in preparing contributions to Sections 45 on these areas under direction of the Office of Scientific Intelligence, CIA. Of the sections requested, published Sections 43 and 46 are already available within HEW and Section 76 is not published for these areas. OSI in forwarding this request stated that Sections 23, 24, 25, 52, 55, and 64 would provide relatively little essential information for PHS purposes. The request is, therefore, considered as involving dissemination of the following NIS sections on an ad hoc basis:

<u>NIS No.</u>	<u>Area</u>	<u>Sections</u>
2	Ireland	40, 41, 42, 44, and 61
49	Libya	40, 41, 42, 44, and 61
70	Mexico	41
94	Brazil	40, 41, 42, 44, and 61

2. Please submit your concurrence or comments by telephone as soon as possible or not later than the next NIS Committee meeting scheduled for 16 December 1958.
